ABOUT:

The Deschutes, which is both a national and state scenic waterway, drops about a quarter of a mile in its final 100 miles as it twists through basalt canyons 700 to 2,200 feet deep. This tributary to the Columbia is renowned for its Summer Steelhead.

The Deschutes River offers some of the best dry line Steelhead fly-fishing in the country. Enriched in tradition and lore this river is an experience all steelhead anglers that strive for a soulful approach should enjoy. Our techniques shadow all the traditional aspects of swinging flies for steelhead. This is the perfect river to chase steelhead with a fly rod, a floating line (in shade), and traditional fly. The river is designed just right for holding fish in the perfect zone of a properly presented fly.

Mack Canyon is an access point. Jet-boating is allowed on the lower segment of the Deschutes River all year 'round except alternating weekends from June –September.

Starting in Late July or early August, overnight guided fly fishing trips for Steelhead are available.

We focus our efforts from Macks Canyon downstream. We target early, aggressive steelhead with swung flies. Single or double-handed rods are used to cover these large runs. August – October is the prime month to book a multi-day jet-boat trip for steelhead on the Deschutes River.

Deschutes River Steelhead DRIFT Boat CAMP Fishing Trip

When: August through October

Days: 2-5

Anglers: 2 or 4

Price per: \$525 per day per person

Your trip starts out by meeting in Maupin, Oregon. This puts you at the beginning of quite possibly the best dry line steelhead water you have ever seen. We will arrange your shuttle so you will have your car at the take out. The shuttles cost \$60-100 per automobile depending on the float.

On the water:

25 to 35+ miles of water will be covered in 2 to 5 days by fishing the entire way while a designated gear boat packs and moves camp approximately 7-10 miles per day. For each 2 anglers there will be 1 guide. Flies are provided.

At the camps:

The dining room sits under a screen house along with the kitchen. All meals are provided except breakfast the first morning and dinner the last evening. We do not provide alcohol. All meals are warm, hearty and skillfully made. We utilize Dutch ovens (in season) and propane stoves. Your sleeping accommodations are quality tents. These double occupancy tents are supplied with cots and paco pads. A portable toilet and its own privacy tent are available at each campsite. The hand washing station is always near.

We take out at the Heritage boat ramp near Biggs Junction on I-84.

We practice no trace camping and pack everything out with us.

When: Late July through Mid October

Days: 2-5

Anglers: 2, 3, or 4

Price: \$1,100 per day (1 or 2 anglers), \$1,650 per day (3 anglers), or \$2,200 per day (4 anglers).

Trip Overview:

We will be utilizing a Wooldridge Alaskan jet boats with a guide ratio of 1 guide per 1-4 anglers.

Is any fishing gear or tackle provided? We provide flies and fly rods when needed.

Meals:

Breakfast, lunch, and dinner are provided on camp trips. The last night's dinner is not provided.

At the Camp:

A stationary camp is set for your entire stay in one place riverside (on prime swing water) from our jet boat trips. At the end of the fishing day when you arrive in camp, your tent for the night will be set-up and your baggage will be waiting for you. You'll be able to sit back and relax, have a cocktail, or fish the camp water. All meals are skillfully prepared streamside by our staff. We provide all of the camping gear with the exception of your sleeping bag and pillow. Tents are double occupancy in large four person tents including cots. We carry all drinking water; however, we do not provide alcohol, you are welcome to bring your own if you desire. Please pack liquids in plastic containers only – except that is for your wine!

Rivers and water are the soul of all life on the planet, so please join us in enjoying, marveling at, and protecting the river as they travel its length. With that in mind, they practice no trace camping. "Footprints should be the only clue to our presence after we leave."

Guides:

One guide per 1-4 clients is the standard ratio for the Deschutes on our jet-boat fly fishing excursions. Our guides have both CPR training and basic first aid certification along with being fully licensed and insured. We carry a very complete series of first aid kits on each boat, as well as a cell phone for emergencies only. If you have any pre-existing medical condition or food requests, please let us know in advance (bee sting or food allergies, diabetes, heart conditions, etc.). It is advised that you have a current tetanus vaccination before arrival. When you arrive at the river they will have a boat and river safety discussion. You will be issued a life jacket to be used for the trip.

Beverages: Fresh water (bring your own water bottle), sodas, and coffee and tea in morning and evening. Bring your own alcohol.
