When: June

Days: 3

Anglers: 4-6

Price per: \$1,350

Your trip starts at the boat launch in Minam, Oregon where the Willamette and Minam Rivers meet. This puts you at the beginning of quite possibly the most beautiful Trout water you have ever seen. We will arrange your shuttle so you will have your car at the take out. The shuttles cost \$100 per automobile.

On the water:

35+ miles of water will be covered in 3 days by fishing the entire way while a designated gear boat with 2 staff members packs and moves camp approximately 10+ miles per day. For each 2 anglers there will be 1 guide. Flies are provided.

At the camps:

The dining room sits under a wall tent along with the kitchen. All meals are provided except breakfast the first morning and dinner the last evening. We do not provide alcohol. All meals are warm, hearty and skillfully made. We utilize Dutch ovens and propane stoves. Your provided camping accommodations are four season tents. These double occupancy tents are supplied with cots, pads, and a heater. Our evening stories are told around the campfire that sits on top of a fire pan. We set up at camp a toilet and its own privacy tent. The hand washing station is always available and warm.

We take out at the Powatka Bridge 7 miles above the town of Troy.

We practice no trace camping and pack everything out with us.
